OVER 500 ENJOY FARMERS' PICNIC AT SKELETON LAKE

BOYLE — The Alberta Wheat Pool held the second Farmers' Day picnic on the Old Timers' grounds at Skeleton Lake, with an attendance of over 500 persons from Colinton, Venice, Paxton, Ellscott and Boyle areas.

Fred Olson of Ellscott, a Pool member since 1924, who celebrated his 70th birthday June 13, as well as the picnic, was guest of honor.

The proceedings began at noon with a welcoming address by John Lund, Pool delegate of this district. Mr. Lund introduced Ed Ness, field man of Alberta Wheat Pool, who announced all events of the afternoon. Mr. Gibson, director of country information, guest speaker, gave a talk on various items of Pool business of interest to the members.

The families enjoyed picnic lunches under the trees and free coffee was served. On the program children's races were in charge of Walter Boyda. Jim Patterson was in charge of men's and women's sack races and ball games.

Steve Sauve looked after the tug-of-war between married men against single men, married women against single women, and horse-shoe throwing.

Two ball games were features—Boyle Pony Grads played Colinton, Boyle won 6-3. In softball game between married men and single men, the singles won 19-13.

Steve Orichowski was in charge at the gate giving free tickets to all children.

All winners among the women and children received chocolate bars as prizes. The men received cigars for their efforts. The W.I. Ladies operated the booth.

Members report a successful and enjoyable day.

Building Boom Hits Plamondon

Plamondon appears to have hit a building boom to celebrate her 50th anniversary. The Pelican Hotel building is well under way. The Plamondon Mercantile have just completed a large warehouse, and the Maple Leaf Co-op are making preparations to build a large warehouse. The Old Trail teacherage has been purchased for Mrs. Isabelle Plamondon, and has been moved to its new location on the lot adjoining the nurses' home.

Paul Piquette has begun work on his new home at the R. C. Piquette farm.

Plamondon To Mark Golden Jubilee

Plans are well under way for July 28 when the Hamlet of Plamondon will go all out to celebrate its golden jubilee. Old-timers, friends and relatives are expected to return and to enjoy, and to view with pride the achievements that have been accomplished, some of which would have been the ambition of those first pioneers who arrived by covered wagon on July 28, 1908.

Arrangements have been made to make this day a day of interest to all.

Spruce Valley

Recent visitors to Edmonton were Mr. and Mrs. Tony Zachkewich, Mr. and Mrs. Duban and Elsie Yurchak.

Louis Zilinski of Edmonton was a weekend guest at the home of his brother and sister-in-law, Mr. and Mrs. Nick Zilinski. Mr. and Mrs. Brownie Zilinski of Athabasca were also guests at the Nick Zilinski home.

Mr. and Mrs. Keith McAuley and son, Danny, and Miss Shirley Simpson of Edmonton visited at the Stan Kanarek home during the weekend.

Mr. and Mrs. Anton Luchka and Mr. and Mrs. Mike Homeniuk attended the Luchka wedding at Boyle last Saturday.

Mr. and Mrs. Peter Koltowski of Edmonton spent the weekend at the home of Mr. and Mrs. P. Homeniuk. They attended the wedding of Miss Susan Berezuik and Mr. Alex Grischuk at Prosperity on Saturday.

Alex Hula of Grassland has purchased the Spruce Valley teacherage and has moved it to his farm in the Grassland district.

Mr. and Mrs. Fred Ryl and daughters, Leona and Evelyn, were weekend guests at the Nick Berezuik, Sr. home.

Mr. and Mrs. Kanarek took their daughter to Athabasca, Friday, for medical attention.

Bill Mahaden, employed in Edmonton, visited his family here during the weekend.

Mr. and Mrs. Orest Chromiak and family, formerly of Edmonton, were recent guests at the home of Mr. and Mrs. Peter Homeniuk and family.

Conservatives To Elect Delegates

A general meeting of Provincial Progressive Conservative Association of Lac la Biche constituency will be held in the Community Hall, July 3, at 8:00 p.m.

The purpose of the meeting is to elect delegates to the leadership convention in Edmonton in August.

Guest speakers from St. Paul and Mannville will be present.

Venice

Congratulations are being extended to Mr. and Mrs. Mario Macor on the birth of a son, June 12.

Mr. and Mrs. Adonias Gingras and son Earl from Valleyview visited relatives and friends in the district.

Bert Nordian was a recent visitor at the home of Mr. and Mrs. Dan Rowland.

Aurelio Ferro is a patient in the Lac la Biche St. Catherine's Hospital.

Wandering River

Gladys Strayski and Shirley Mitchell recently made a trip to the city.

Nick Fedorchuk, along with his representatives from various points in the district, recently attended a Chamber of Commerce meeting in Edmonton.

A large crowd attended the three-act play presented by the Wandering River Students' Union. Due to the heavy rainfall during the play, the dance which was to follow was cancelled. The reflex camera raffled by the Student' Union was won by Miss Katie Trefenanko.

Boy Scouts News

The 1958 Alberta Boy Scouts Jamboree will be what is known as participating jamboree. That means that all the boys will be given the opportunity of taking part in the various activities arranged by the program committee. Under the chairmanship of G. S. Audley, Edmonton, assisted by Don Milne, D. L. Robinson, Jim Boyle, Don McGeachie also of Edmonton, C. A. Weekes, Cayley, Fred Smeed of Lethbridge and G. W. Robertson of Morrin, this committee has laid on a jam-packed week for the boys.

For example, each morning one sub-camp comprising of approximately 400 boys will be driven 12 miles into Banff where special arrangements have been made with the staff of the Cave and Basin Swimming Pool to have the boys swim from 7:30 to 8:30. After the swim, the boys will break off into troops of 40 boys each and through conducted tours, be given an opportunity of seeing at least some of the beauty spots of the area. They will return back to the camp at 3 in the afternoon.

The other sub-camps in the meantime will be engaged in either all day hikes, various Scout craft competitions, demonstrations of fire fighting, pioneering, mountain rescue, advanced outdoor cooking or field activities. In the evenings there will be the usual Scout Camp Fires on a troop level which gives the boys ample opportunity to visit back and forth.

Teamwork succeeds when both horses pull.

Banquet Marks Memorial Hall Opening; Alberta Minister Guest Speaker

The grand opening of the Lac la Biche Memorial hall was celebrated June 18 with a banquet attended by some 350 persons.

Hon. A. J. Hooke, minister of municipal affairs, was guest speaker of the evening, following a short demonstration of slight of hand tricks by Blake McKenzie, also of the department of municipal affairs. After being introduced by the toastmaster, Mike Maccagno, Mayor Steve Hamar thanked the ladies who had prepared such a delicious meal.

The mayor recalled that a year ago the hall had been closed by health authorities and renovations were imperative. Being too large a project for the local branch of the Canadian Legion to assume, they offered to transfer the building and the lot on which it stands, to the town. Several public meetings were held and after months of planning and negotiations, including a plebiscite, renovation began this spring, resulting in the pleasant surprise experienced by many for the first time at this banquet.

The main floor has been lengthened by 10 feet, and a solid oak floor has been laid, the stage has been finished with several of the more modern materials, a kitchen complete with closed cupboards and sink, check room, wash rooms and ticket office complete the front section. There is modern lighting throughout and the appearance of the hall is one of beauty and distinction.

In mentioning the amount of planning and thought necessary to complete such a project, Mayor Hamar introduced members of the council who had shared in the planning. Mr. and Mrs. Jack Williams, representing the Canadian Legion and Ladies' Auxiliary to the Legion were introduced by Mr. Maccagno. In his remarks, Mr. Williams paid tribute to the Great War Veterans' Association, founders of the hall. At the time it was built in 1926-27, it was reputed to be the most up-to-date hall between here and Edmonton. After having served the community for so many years, prior to the renovations consulting engineers pronounced the building structurally

Raps Modern Education Trend

OTTAWA — "Education is not something to give a man a higher standard of living," the president of the Ottawa Journal said here, "it is something to give him a standard of life"

M. Grattan O'Leary made the statement in an address to graduates of St. Patrick's College.

"One of the tragedies of our day," Mr. O'Leary said, "is that it has so much specialization and such little wisdom; so much know-how and so little know-why, all signposts and no destination.

"We seem in danger of forgetting the truth that there is no sense in pasting wings on man unless you can give him a winged nature—and no sense in trying to make men free in order to make them good, when the real task is to make them good in order to fit them to be free."

Lac la Biche

Mr. and Mrs. J. Duhamel and children of Spirit River visited at the home of Mr. and Mrs. C. E. Chisholm. Mr. and Mrs. Richard Chisholm and children accompanied them from Edmonton.

HIGHWAY 46 LEAGUE

Boyle Wins Doubleheader From Newbrook

Mellot and Duplessis combined their pitching skills to down the hapless Newbrook Pony 19-2 in the opener of the twin bill in Boyle of the last schedule game in the Highway 46 minor league. In the Pony grad game, Boyle Rockets' new find, Melvin Sumner, pitched his team to a 12-4 victory over the Newbrook Pony Grads.

Leroy Mellot came back to his pitching form as he led his Comets to a convincing 19-2 victory over the last place Nebrook Pony. With only one victory and a tie in the five previous outings, the Boyle Comets were literally hungry for a win. They batted the Newbrook pitcher for nine hits and committed only five miscues for their win. Wayne Devernychuk with 2-2 and Bob Anderson with 4-3 were the big hitters for the winners. Newbrook's batting was weak, garnering only two hits off Mellot and none off Duplessis. Carl, pitching for Newbrook, handled many plays on the mound but his own wildness at times, offering eight walks and one hit batsman, spelled defeat for Newbrook.

Melvin Sumner who regularly plays centre field, pitched a neat four hitter to be credited with the win in the second game of the evening. He struck out nine batters in the five and a third innings he toiled. Nick for Newbrook received some poor support as he hurled a six hitter but untimely bobbles by his mates gave Boyle Rockets the victory. In the fourth, Newbrook started a rally when Leonard got the first hit off Melvin, a walk to Nick, then a booming base clearing triple by Ken Werenka, netted two runs for Newbrook. Then Melvin settled down, retiring the side in order. In the fifth, Boyle put together one hit, three walks, two wild pitches and four miscues for five big runs putting the game out of Newbrook's reach.

BOX SCORE

Newbrook Pony .....100 010 0— 2
Boyle Comets .....325 531 x—19
Newbrook Pony G. 000 211 0— 4
Boyle Rockets .....220 053 x—12

Newbrook team displayed improvement from the previous meeting between the two teams. Catching seems to be the weak position in the Newbrook team. Both Boyle teams have improved from their previous outings and they are both getting set for the playoffs near at hand. It was good to see Donald Alexander back in his short stop position. Gary's stiff neck prevented him from participating in this game.

THE Homemaker

By EDITH WHITNEY

With the summer season and lake jaunts, picnics are the vogue. This week I want to pass on a few hints that will make your lunch a bigger success.

Don't prepare foods too far in advance. Meats, milk and other rich foods spoil quickly in hot weather. Pack your hamper last thing before you leave.

If you are taking tins of fruit juice, freeze them solidly the night before. Then wrap them well before you leave. They will be thawed again when you want them but will still be cool.

Take plenty of food. Everyone is hungry at a picnic. Allow ¼ lb. boneless or ½ lb. bone-in raw meat per person. If you want cooked meats — ham, cold chicken and cold beef are always good choices.

Be sure you include salt, pepper, paper serviettes and a gay table cloth in your hamper. Also, if you have room, pack the youngsters a surprise such as lollipops or taffy, stuffed prunes or figs and of course, marshmallows.

One last suggestion for you picnicers which concerns sandwiches. Take the makings and make them on scene as they are needed. It saves waste and makes a much more delectable sandwich. Here is a zesty filling for weiner buns. Combine a pound can of red kidney beans, drained, with two chopped hard cooked eggs, half a cup cubed Canadian processed cheese, celery and pickle relish, chopped green onion, salt, pepper, a tablespoon of prepared mustard, mayonnaise or salad dressing to moisten. Then just fill your buns with this hearty mixture.

Enjoy your picnics this summer.

Pioneer Settler Called To Rest

Another link with the past was broken when Mr. Sverre Lundlie, a pioneer of the Rich Lake district passed away recently in St. Catherine's hospital, Lac la Biche.

Mr. Lundlie was born in Norway 77 years ago and had spent over 40 years in the Rich Lake area. The large number who attended his funeral attested to the great number of friends who knew him. His funeral was the first service held in the new Anglican church in Rich Lake.

In his sermon, the Rev. R. S. H. Greene, pastor of the church pointed out the significance of this fact, stating that the church is in the community to remind us that our destiny lies beyond the grave. "The towering spire, topped by the Cross, like the finger of God pointed towards Heaven. In like manner it points each one of us in the same direction."

Interment took place in Fork Lake cemetery.

Mr. Lundlie leaves a sister, Mrs. Enga Evans of Elk Point, as well as numerous nieces and nephews.

Mr. and Mrs. F. Evans of Rich Lake took care of Mr. Lundlie in his later years.

Sunshine friends come easy when you are successful.

In case of doubt, don't borrow and don't lend.

Opening Services In Rich Lake Church

Opening services were held recently in the new Anglican church in Rich Lake. During the past few weeks a large number of volunteers has worked hard in order to make the church ready for services. Under the direction of John Semonowich, chief carpenter, a fine roofing job was done with attractive green asbestos shingles. A handsome tower with cross on top was also built by Mr. Semanowich. Construction is now going ahead on the windows and doors which should be completed in about 10 days time.

Some of those who volunteered their services during recent weeks include Alex York, Clyde Tillapaugh, Robert Tillapaugh, John Bergheim, Jack Bergheim, Tom Bergheim, of Goose Lake, Joe Struthers and Clayton Hayward of Helina, David Evans and F. Evans of Rich Lake, and the pastor, The Rev. R. S. H. Greene of Lac la Biche. Loretta and Connie Evans of Rich Lake helped with the water-proffing of the walls while Mrs. Jennie Tikkanen and Mrs. Mary Evans of Rich Lake provided many tasty lunches and refreshments.

It is hoped that the church will be sufficiently completed for dedication services when Bishop Pierce returns to the diocese in the fall. At present Bishop Pierce is in England, where he will attend the Lambeth Conference with some 400 bishops from Anglican dioceses throughout the world.

MLA Announces Highway Extension

Floyd M. Baker, MLA for Clover Bar, has announced that the provincial government is extending Highway 21 from Ervik's Corner, five miles west of Camrose, through Armena, Hay Lakes, New Sarepta, and will join Highway 14 north of Looma.

Tenders are being called June 18 for the first 14½ miles from Ervik's Corner to Hay Lakes.

Anglican Church To Sponsor Four Camps At Matawawin

Final preparations are being made for the opening of another year at Camp Matawawin, Athabasca Deanery Camp for the Anglican Church of Canada.

The rural dean, the Rev. R. S. H. Greene, of Lac la Biche reports that last year was the most successful in the camp's history, with more camps and more campers than ever before. It is hoped that this year will see an even larger program. Executive manager, the Rev. J. G. Gibbons of Atabasca announced that Miss Victoria Jordan of Honululu, Hawaii would once again be present at the camp. Miss Jordan who was known as 'Mermaid' was the popular swimming instructor of last year when 75 percent of the non-swimmers were taught to swim.

Last year's campers came from such scattered points in the Athabasca Deanery as Fort McMurray, Waterways, Rich Lake, Lac la Biche, Wandering River, Atmore, Grassland, Boyle, Colinton, Perryvale, Athabasca, Smith, Slave Lake, South Athabasca, etc.

Because of the success of last year's camps, the executive have again decided to run four camps. This will lead off with senior boys camp from July 2 to 10, for boys 13-16; senior girls camp July 10 to 18 for girls 13 to 16; junior girls camp from July 18 to 25 for girls ages 9-12 years and junior boys camp, July 25 to August 1 for boys 9 - 12. The fee for the senior camps is $11 and for the junior camps $10 open to all boys and girls living in the district.

Parents interested in sending their children to camp should get in touch with the nearest Anglican priest. These are: the Rev. Ronald Parsons, Fort Chipewyan; the Rev. Elevator Destroyed In $250,000 Blaze

SPRUCE GROVE (UPI) — An estimated 90,000 bushels of grain were destroyed in a fire that gutted the Alberta Wheat Pool Elevator at Spruce Grove. Cost of the fire was estimated at $250,000.

It was believed the blaze of unknown origin started at about 1:00 a.m. in an empty elevator. The flames quickly spread to a nearby elevator and an annex. The two elevators and annex are believed to be a total loss. Spruce Grove is 15 miles west of Edmonton.

The fire was first noticed by a trucker who spotted the flames as he passed by on the highway.

New 5c Postage Stamp To Emphasize National Health

The Hon. William Hamilton, Postmaster General, has announced the details of a new design 5 cent postage stamp to be issued on July 30 next.

The new stamp is being issued to emphasize the importance of health both to the individual and to the nation and the slogan "Health Guards The Nation" conveys this theme. As a symbol of the significance of the contribution by women to the nation's health, the portrait of a nurse is featured on the new issue.

That such a commemorative stamp is very timely in view of the great advance in public health in recent years, is generally conceded. When one compares, for example, the health conditions existing at the time of Canadian Confederation with those of today, the contrast will be further emphasized.

The portrait of the nurse on the stamp will remind Canadians of the devoted women in public and in private nursing, and in the nursing services of the Armed Forces, whose dedicated lives have contributed so greatly to building the welfare of the Canadian nation.

The stamp was designed by Gerald Trottier, Ottawa, who also designed the La Verendrye and Quebec anniversary commorative stamps. The designer was born in Ottawa, attended the Art Student's League in New York in 1953 and studied in Europe on a Canadian Foundation scholarship. He has a studio now in Ottawa where he works as a painter and graphic artist with a particular emphasis on lithography.

The National Health Commemorative stamp is being printed by th Canadian Bank Note Company, and will be purple in color of medim size, and approximately one and one-eighth inches wide by one inch high.

Tidal Wave Will Make 6th Great Lake

On July 1st, one of the biggest man-made tidal waves ever to exist—a thirty foot wall of water—will sweep 2½ miles down a valley until it hits a dam.

Thirty tons of special explosives are awaiting the touch of the thumb which will send the boiling carpet of water into an artificial "sea-bed" to create the Sixth Great Lake.

In the current issue of The Star Weekly, William Gingell reports on the preparations for the blast which will signal the last major step toward the completion of the $1,200,000,000 St. Lawrence Seaway and Power Project.

Banquet Marks Memorial Hall Opening; Alberta Minister Guest Speaker

(Continued from Page 1)

sound, proving that the veterans had built beter than they knew. On behalf of the Legion Mr. Williams commended the council for the despatch with which the job was completed.

I. A. Tkachuk, of the public works committee of council, praised the contractor, Nick Kosekavich, for the fine workmanship displayed throughout the entire undertaking. He said that, as is so often the case, we do not realize the worth of a thing until we lose it, and so it was when the hall was closed. Mr. Tkachuk thought it was doubtful if any community in Alberta has such a mixture of racial and religious groups as Lac la Biche, yet the tasty supper convened by Mrs. Marian Bouvier and cooked and served by church groups made up of Catholic, Anglican, United, Greek Orthodox and Moslem, was an example of genuine co-operation and community spirit. He expressed the desire that the hall be used to promote local talent plays, concerts and music for the young people.

H. Lobay exended a warm welcome to all the friends who were present for the supper, and assured them that the hall belonged to the people because it was they who had given assent to spend the funds for the transformation. He expressed a desire that the young people would find an outlet for social and cultural talent.

Councillor L. Vincent thanked the ladies for the fine supper and expressed pride in what the community had accomplished.

Floyd McMillan, who was a member of the hall committee, thanked the groups who had made the banquet such a success. He mentioned that in asking one lady to assist in the joint effort, her remark was, "I'm glad it doesn't have to be in the same old joint." In touching on future needs of the hall, he said that if the service clubs cared to help many items were needed, such as blinds for the windows, curtains for the stage, a hot water heater, etc.

Hon. A. J. Hooke in his address dealt with the subject "Security or Freedom," cleverly illustrating how freedom was of more value to the individual than security, important as the latter might be. The speaker pointed out the fact that since we do not all think alike and like the same things it actually makes for progress. He spoke of the high place Alberta holds among the provinces so far as development of its various resources is concerned. He was confident that taking into account the size of the town, no community in Alberta had a finer hall.

Mr. Mike Maccagno expressed great satisfaction in the "terrific job" the ladies and others had done in making the evening so successful. He expressed thanks to Mrs. Bouvier for convening the supper; many of the businesses who made donations; the Sea Cadets who were in charge of the check room; as well as the fire brigade who supervised the parking and assisted in setting up and removing the tables and seats.

The evening concluded with a dance with music supplied by "Mac Jack's" orchestra, Edmonton.

Frains

Visitors in the district recently were Mr. and Mrs. C. Tratch and family of Lac la Biche, Mrs. Salling of Craigend, Roy Shyian and Victor Salling of Edmonton, and Mr. S. Shyian of Edmonton, all at the Shyian home; Paul Yurkiw of Edmonton at the Kolach home, and Olga Broda at her home.

Mrs. M. Kalmatycki returned from the United States last week.

Local residents attending the Air Show at the Namao Airport on Saturday were Archie Shwetz, Mrs. D. Shwetz, and Mrs. D. Kolach and Terry.

A dance was held in the Community Hall, June 13.

A fair crowd attended the Ukrainian show held in the hall, June 14.

Egg Lake

Mr. and Mrs. Lucien Pare and family of Athabasca, former residents of Peace River, visited the Ernest Pare home recently.

Mr. and Mrs. Charles Girard and daughter Denise spent the weekend with his parents, Mr. and Mrs. Joseph Girard.

Mr. and Mrs. Albert Huppie's daughter and son-in-law, Mr. and Mrs. J. Levesque, and their three children from Mirror are visiting them.

George Huppie has gone to Hay Lakes to work.

Mrs. Steve Peterson is a patient in Lac la Biche Hospital.

During the past week Mr. and Mrs. Maurice Lebeuf have had as guests Mr. and Mrs. Armand Lebeuf of Edmonton, and Mrs. Maurice Lebeuf's sister, Mrs. Donat Lafontaine, of Quebec. Mrs. Lafontaine will spend several weeks visiting relatives including her parents, Mr. and Mrs. Albert Gaudet of Atmore, her sisters, Mrs. Bernard Amiot and Mrs. Urban Plamondon, and her brother Charles.

Plamondon

Mrs. Isdore Plamondon and son, Bernard, have arrived from Vancouver, Wash. to spend a vacation with relatives. While here they will stay with Mr. and Mrs. Napoleon Gauthier.

Mr. and Mrs. Arthur Varin and friend, Walter, have returned from California, after spending the winter there.

Mrs. W. Beaudet is visiting her daughters in Edmonton and Morinville.

Mr. and Mrs. Dewey Plamondon left for Edmonton, where Mrs. Plamondon will enter an Edmonton hospital.

Mrs. Lillian Johnson and family have left to make their home in Edmonton.

Mrs. Pierre Aubee has returned home from an Edmonton hospital.

Mrs. Donald Bosse held a demonstration party at her home with about 18 ladies present.

Correction: In last week's issue of Plamondon news it stated Mr. Urbin Plamondon has returned, after spending the winter in California. This should have read Mr. Urbin Belanger.

Honesty is the best policy because, in the end, it pays the biggest dividends.
